## Yellow Bird

A favorite Beach Bar Drink

Similar to a Screwdriver, the Yellow Bird replaces the vodka with two types of rum. To make things a bit more interesting add a little lime juice or a splash of Banana Liqueur

### Ingredients:

- 1- oz Dark Rum
- 1- oz Light Rum
- 4 oz ITG Pineapple Orange Fruit Drink
- Garnish with Maraschino cherry and slice of orange

### Preparation:

1. Make ITG Pineapple Orange Fruit Drink with 6-8 oz of cold water in your ITG blender bottle, shake well.
2. Fill cocktail glass with ice cubes or crushed ice if you prefer
3. Pour in 2 oz of rum
4. Add 4 oz of the ITG Pineapple Orange Fruit Drink, stir garnish... Enjoy.
